VERIZON NEW ENGLAND INC.
D/B/A VERIZON MAINE
Request for Approval of
Resale Agreement with
Optimum Global Communications,
Inc. d/b/a Local Phone Company

ORDER APPROVING
RESALE AGREEMENT
WITH OPTIMUM GLOBAL
COMMUNICATIONS, INC.

WELCH, Chairman; NUGENT and DIAMOND, Commissioners

In this Order, we approve a resale agreement between Verizon New England Inc. d/b/a Verizon Maine and Optimum Global Communications, Inc. d/b/a Local Phone Company (Optimum), pursuant to section 252 of the Telecommunications Act of 1996.

On December 6, 2000, Verizon Maine filed a negotiated Resale Service Agreement with Optimum (including, as Attachment A, a document containing terms and conditions), pursuant to 47 U.S.C. § 252, enacted by the Telecommunications Act of 1996. An agreement reached pursuant to that provision might allow a telecommunications carrier to purchase unbundled network elements, or local services at a discounted wholesale rate (the discount reflecting avoided cost), or both, from an incumbent local exchange carrier (ILEC) or competitive local exchange carrier (CLEC).

Optimum will pay to Verizon Maine the discounted prices contained in the voluntary agreement that was reached pursuant to arms-length negotiations between the parties. The pricing standards contained in 47 U.S.C. § 252(d) apply only to arbitration proceedings under section 252(b) and not to negotiated agreements under section 252(a). Verizon Maine does not represent that the prices contained in the Agreement are consistent with the section 252(d) pricing standards or with any other state or federal policy.

Section 252(e)(2) states that a state commission may reject a negotiated agreement only if it finds that "the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement" or if "the implementation of such agreement or portion is not consistent with the public interest, convenience and necessity." We received no comments by the comment deadline set in a December 8, 2000 Notice of Agreement and Opportunity to Comment. We do not make either of the findings set forth in section 252(e)(2) for rejection, and we therefore approve the agreement.

We qualify our approval in two respects, however, and reserve findings on future potential issues. First, we reserve judgment on whether the rates contained in the agreement are reasonable from the perspective of Verizon Maine's retail ratepayers. Verizon Maine is presently under an alternative form of regulation (AFOR) ordered by

the Commission in Docket No. 94-123. The AFOR began in December 1995. Under the AFOR, Verizon Maine bears the risk of lost revenues resulting from rates that are too low. In Docket No. 99-851, we have proposed to continue the AFOR beyond five years in modified form. We do not resolve whether Verizon Maine is receiving reasonable compensation from any CLECs that may avail themselves of the rates provided to Optimum pursuant to 47 U.S.C. § 252(i).

Second, section 271(c) of the Act, 47 U.S.C. § 271(c), requires that the Bell Operating Companies (BOCs) meet certain requirements before they are allowed to provide interLATA service (the so-called "competitive checklist"). Under section 271(d)(3), the Federal Communications Commission (FCC) must determine whether the BOC has met the competitive checklist before granting the BOC authority to provide interLATA service within its region. Prior to making that determination, the FCC must consult with state commissions in order to verify the compliance of the BOC with the checklist. Our approval of this Agreement should not be construed as a finding that Verizon Maine has met those requirements.

The agreement filed by Verizon Maine provides for resale of Verizon Maine's services in Maine by Optimum. If Optimum seeks to interconnect with networks maintained by independent local exchange carriers in Maine, or to resell services offered by those carriers, it must seek a termination, suspension, or modification of the exemption contained in 47 U.S.C. § 251(f)(1)(A).

Separately, in Docket No. 2000-452, Optimum has petitioned for a finding of public convenience and necessity to provide local exchange telecommunications services in Maine. We will consider that petition separately.

ORDERING PARAGRAPHS

Accordingly, we

1. Approve the Resale Service Agreement between Verizon New England Inc. d/b/a Verizon Maine and Optimum Global Communications, Inc. d/b/a Local Phone Company, attached hereto, pursuant to 47 U.S.C. § 252(e);
2. Order that Optimum Global Communications, Inc. d/b/a Local Phone Company shall not provide local exchange telephone service until the Commission grants authority to Optimum Global Communications, Inc. d/b/a Local Phone Company to provide such service and until the Commission approves schedules of rates, terms and conditions for the provision of such service; and
3. Order that the Administrative Director shall make a copy of the attached Agreement available for public inspection and copying pursuant to 47 C.F.R. § 252(h) within 10 days of the date of this Order.

Dated at Augusta, Maine this 3rd day of January, 2001.
